
Santa Sabina Dominican Ex-Students' Association

MEMBERSHIP FORM

Dear Ex-Student,

The Santa Sabina Dominican Ex-Students' Association is the body that represents all Dominican ex-students. Some activities organised by the Ex-Students' Association are the Debutante Ball, Career Networking Nights, fundraising events for the College Bursary, contact information for reunion years and the Annual St Dominic's Day Mass and Luncheon.

Membership entitles you to nominate for positions on the Executive and Committee and to attend the Annual General Meeting. As part of your membership you will receive a copy of the Santa Sabina publication 'Encompass' which now incorporates our newsletter 'Around the Plot' with up-to-date details of all Ex-Students' functions, news of class reunions, ex-students, teachers and the Dominican Sisters and other material related to our activities and those of the College.

We are extending an invitation for you to join the Association and to encourage others to do so. Currently life membership is available for \$200* (Seniors \$100*). Please consider this invitation carefully as the strength of the Association depends upon its members. Together we can not only support future Dominican students but also enjoy a vibrant and active Association.

Looking forward to your application and involvement with the association.

Lorette Quinlan
President

**GST included*

Any news which can be included in the Encompass Magazine can be forwarded to exstudents@ssc.nsw.edu.au or you can phone the Association on (02) 9745 7127. or Fax 97457128
