

PASTORAL CARE POLICY

RATIONALE

Pastoral Care in the College community is viewed as the “integration of the academic, social and religious dimensions of a school’s energy so that an atmosphere of care prevails within the school community”

(Pastoral Care for Schools K.Treston)

By permeating the life and atmosphere of the college community, this Christian commitment to care should create an environment in which gifts and talents of each individual member are recognised and nurtured. All members are encouraged to develop caring and supportive relationships so that a cooperative and collaborative environment exists reflecting Gospel values.

Pursuant to the mission statement all policies, structures and curricula of the school reflect the college’s commitment to Pastoral Care.
