Santa Sabina College is a dynamic educational community, which provides a comprehensive education for girls P-12 and for boys P-4. The College offers diverse holistic learning opportunities which challenge students to develop their intellectual curiosity. Students are encouraged to live sustainably, ethically and with integrity, and contribute to the world. A further hallmark of the Santa Sabina experience is a vibrant spirit of community. The liturgical life of the College, the academic, co-curricular, social justice, leadership and pastoral programmes all support our objective, for students to grow in the truth - Veritas.

**PDHPE Coordinator**
**Permanent**
**Commencing 21 April 2015**

The College is seeking expressions of interest for an experienced and passionate professional to continue to develop and implement innovative PDHPE programs. The successful candidate will be expected to possess the following attributes:

- Leadership experience in the development, implementation and evaluation of a variety of PDHPE curriculum programs
- Ability to lead a performance and development culture within the Department to support staff in their professional growth and improved practice
- Ability to collaborate with the KLA Coordinators’ team in the leadership of student-centred and intellectually dynamic practice
- Evidence of engagement in the broader PDHPE learning community
- Exemplary classroom teacher

Applicants are expected to have an understanding of, and commitment to, the Dominican ethos. **Applications close: 11 March 2015.** Applications must contain two current references, outline relevant experience and qualifications and are to be sent to recruitment@ssc.nsw.edu.au.
