COMMITMENT STATEMENT FOR SENIOR STUDENTS 2013/14

I understand that my entry into the Preliminary HSC Year at Santa Sabina College requires me to acknowledge the guiding principles of this community.

This means that my actions must be acceptable and safe for me, for others, for the College and for the environment.

I will achieve this when I:

• act in a kind, courteous and respectful way towards members of the College and the wider community;
• am honest with myself and others;
• work to achieve personal excellence;
• meet the attendance and punctuality requirements for the Preliminary courses and Santa Sabina events;
• accept responsibility for my learning by being punctual and involved;
• respect my reputation and that of others and the College;
• promote a positive school spirit in all that I do;
• respect and care for the environment;
• am aware of and follow all safety regulations and respect the right of all to be safe;
• am responsible for my belongings, respect the belongings of others and the general school property;
• maintain a healthy life style;
• encourage a positive classroom environment for all.

When my behaviour reflects these responsibilities to myself, others, the school and environment, my contributions will be recognised through a sense of well-being, positive relationships with others, personal academic excellence, affirmation and recognition.

If my behaviour does not reflect these responsibilities, I recognise that there will be consequences that I must accept because of the choices I have made.
