One of the aims of the Parents and Friends’ Association at Santa Sabina is to provide various ways in which you can become more involved in your school and the broader Santa Sabina College community. There is no doubt that your time as parents at Santa Sabina will be a lot more fun if you are able to participate in all that is available to you. In Primary School there are many opportunities for you to meet with other parents at social events and to start building friendships and connections which may last a lifetime. Also we have found that attendance at these events increases parents’ awareness and understanding of their child’s activities and experiences at School. The Welcome Morning Tea on the first day of the 2014 school year is the first of these occasions. Various events follow during the year such as the Evening Opening Liturgy, Mother’s and Father’s Day Celebrations, Fathers’ Golf Day, the Year Dinner and the College Dinner. You will receive invitations to other cultural and sporting events throughout the year and you will also find them featured in the fortnightly on-line newsletter “Veritas Voice”.

If you are interested in helping with any of the events, or would simply like to be kept up to date with what is happening in 2014 at Primary School, please complete the form below and return it to the Primary School Office. Please do not feel that you need to over commit yourself – any help at all is greatly appreciated.

Please feel free to contact The Parents and Friends’ Association on pnf@ssc.nsw.edu.au

Any information gathered will be used only for the purpose of the Santa Sabina College Parents and Friends’ Association.
