Once your children have left primary school, the opportunities for you to become involved in the school become fewer and you can feel a little isolated, particularly if you are new to the school in Year 6 or Year 7.

One of the aims of the Parents and Friends’ Association at Santa Sabina is to provide various ways in which you can become involved in the school and the Santa Sabina College community. These range from attending the gatherings arranged for you (e.g. Masses, Information Evenings, Morning Teas, Dinners, Golf etc.), to really getting involved and helping to organise these various functions. There is no doubt that your time as parents at Santa Sabina will be a lot more fun if you are able to participate in all that is available to you. As well as making you feel part of your College Community, it provides invaluable opportunities for you to get to know other parents in your daughters’ years very useful, as the girls get older!

In order to build our community of the Middle School and to also strengthen the whole College community there will be many social events you can attend, beginning with the Welcome Morning Tea on the first day of the school year. During Term 1 there is an Opening Liturgy in the evening, a Middle School parent & child dinner, a parents’ morning tea. There are also cultural and sporting events and information sessions throughout the year. Information about all these things will be sent home over the course of the year and highlighted in the fortnightly on-line newsletter “Veritas Voice”.

If you feel that you may have time during the year to assist at any of the events, please fill out the form below and return it to one of the Middle School Parent Representatives or to the Middle School Office. Please do not feel that you need to over commit yourself – any help at all is greatly appreciated.

Please contact the P&F at pnf@ssc.nsw.edu.au should you require more information.

Any information gathered will be used only for the purpose of the Santa Sabina College Parents and Friends’ Association.
