For the Safety of Children in the Kiss and Ride Zone - Points to Remember

1. Drivers Do Not Leave your Vehicle
   To assist with traffic flow in the Kiss and Ride Zone, drivers are encouraged to remain in the car while the children get in and out. To facilitate this, children should travel with bags in the car and not in the boot. If a driver must get out, they MUST NOT move more than 3 metres from their vehicle.

2. Be Timely
   If your child does not enter or exit the vehicle within 2 minutes you are required to travel around the block and re-enter the zone at the end of the queue.

3. Kerb Side Entry / Exit
   Ensure your child enters / exits the vehicle on the kerb side. Ensure your child has their restraint securely fastened before moving off from the Kiss and Ride Zone.

4. Stay in Sequence
   Please queue in an orderly manner. Drop/pick-up your child as close as you can to the top of the zone near The Boulevarde, allowing vehicles following you to enter the designated area.

5. No U Turns
   U turns in this busy school zone is dangerous and puts children at risk. Drive on to The Boulevarde to exit the area.

If you are using the Kiss and Ride Zone in the afternoon, a public announcement system will be used to call your child to your car as you arrive to collect them. If your child does not respond to the call you will be required to exit the zone, drive around the block and re-enter at the end of the queue.

Strathfield Council Rangers, Parking Officers and the Police enforce these rules and issue penalties, so always use the zone correctly to avoid fines.
