# UNIFORM TRANSITION FROM 2018

## Introduction and design principles

Santa Sabina College is proud to present a new uniform for all students from Kindergarten to Year 12. The Uniform Committee, made up of representatives of staff, parents and students, worked throughout 2017 with uniform manufacturer Reji Uniforms to create a uniform that is distinctive and contemporary.

Our very first uniform, 124 years ago, was in the Dominican colours of black and white. Over the years blue and then mostly green uniforms have been worn by Santa Sabina students. Our sports teams in recent years have been wearing black and white uniforms, keeping us distinct from competitors in sporting arenas.

To celebrate our quasiquicentenary, our 125th anniversary in 2019, we are returning all uniforms to our traditional Dominican colours of black and white. Establishing our distinctive presence through these elegant colours, our students will benefit from smarter, up to date and more comfortable designs. Punctuating the monochrome palette are subtle stripes and highlights in green and red, echoing the varying shades of green and rust of the most recent uniforms. Girls in Senior Years will wear special elements to indicate their seniority and students of all years will have the new millennium options of trousers or shorts. Durability, practicality, comfort, style, personal choice and cost efficiency have all been taken into account in designing the suite of uniforms for academic work and sporting activities.

High quality cutting edge fabrics and finishes have been chosen and unnecessary additional pieces (for instance, for different sports) have been eliminated. The introduction of cotton in most of the made-to-order fabrics will mean better comfort for students and is more appropriate for the climate of Sydney's inner west. The new designs are bringing a greater sense of consistency across the years and activities.

This booklet is your go-to guide as to how the new uniform should be worn, whatever academic year, sporting activity or season. It includes the uniforms for Prep students, which remain unchanged.

# TRANSITIONAL ARRANGEMENTS

## The changeover has begun!

New black and white backpacks are available and black lace-up shoes have been allowed since 2017.

From the start of Term 2, 30 April 2018, students may start wearing the new winter uniform, available in our Uniform Shop from March. New sports uniform items will also be available from March 2018.

From Term 4 the new summer uniform will be available.

To maximise convenience and economy there will be a two-year transition period so that most students can wear either the old or the new academic uniform until the end of Term 3, 2019. Students in Year 10 2018 can begin transitioning to the new senior uniform from Term 2, 2018. Students must wear either the old uniform or the new uniform in their entirety, not a mix of the old and new, with the exceptions that new backpacks and new black shoes are acceptable with the old green uniforms.

Students new to the school are encouraged to wear the new uniform.

In Term 4 2019 the changeover will be complete.
